Gene Machine / Don't Bother Me

Bad Brains

You wanna see me hang around Don't bother me You wanna know if I'll get down Can't you see

(Gene Machine) Stick it in Shove it up Are they still humans? (Dream Machine) With brown eyes Brown hair Created scientifically

You wanna see me hang around Don't bother me You wanna know if I get down Oh can't you see Come on open up your eyes Truth is there to see There is to be in reality

(Gene Machine) Are they issues? Dial-A-Gene... Buy-A-Gene Take a second look did one just pass by way? Gene Machine Gene Machine

You never know one When you see her Quite aware Mistaken identity Oh. Gene Machine Under H.I.M. We pray not take the other
