Hired gun for sale  
Hired gun, on the run  
He won't fail

Requesting quick, they asked the people  
Where's the hired gunman's trail?  
He turned into a dark, cold corner  
His is the face that is so pale

He's on the run  
He has no fun, no

Please sit down, services rendered  
Now we must decide the pay  
Bargains to bribes, broken agreement  
So much more had but to pray  
Next a scam to execute, but a bit too cute  
So if you're looking for adventure  
Go check the hired gun for sale
