

## Rights of a Child

Bad Brains

Every child has right  
To be loved  
No baby no baby  
It is good  
Our God has given this  
The youth of today  
They will pray  
The youth of today  
Prepare  
I'm the youth of today  
The free child of tomorrow  
These are the rights  
Of a child  
Yes these are the rights  
Of a child  
And these are the right right right right right rights  
Of a child  
Yes these  
Are the rights  
To be with God  
Heart soul and deed  
To have clean clothes  
And money  
The gift of life  
Is priceless  
Every child of Jah  
Is surely blessed  
Our God has given this  
These are the rights  
Of a child  
Yes these are the rights  
Of a child  
And these are the right right right right right rights  
Of a child  
Yes these  
Are the rights  
I'm the youth of today  
The free child of tomorrow
