

# The Youth Are Getting Restless

Bad Brains

Down in South Africa you can see the fire.  
Now is the time we're waiting for.  
We want to be there now. Oh yah.  
So if you really care, lift up your voice and cheer Free  
South Africa. Let us live as one. Black Africa, white  
Africa, it's time for revolution. Black Africa, white  
Africa, it's time for revolution.  
Because the youth are getting restless, the youth are  
getting restless, the youth are getting restless, the  
youth are getting restless.  
Sixteen year old just dropped out of school, said he was  
tired of being a fool.  
The youth are getting restless.  
Eighteen year old man just jumped off a bridge, they said  
he committed suicide.  
Know what he did? He said <sup>3</sup>The youth are getting  
restless<sup>2</sup>. The youth are getting restless.  
Two hundred and seventy-seven victims in Soweto South  
Africa  
all of them under the age of sixteen. Let's hear it. The  
youth are getting restless. I can't hear you. Let them  
hear you all the way to Washington. The youth are getting  
restless.own creation.  
The Youth are Getting Restless.  
And once again a nation.  
I and I.
