

# I Don't Hesitate To Say Who I Hate

Bad Cash Quartet

If you think the world's too much  
Then take my hand and follow  
But not like giving up,  
I would never be that hollow  
But I'm giving up on the time  
When I see what you've become  
My life's in vain I heard him say  
I hate the way I live today  
So don't look back and don't look straight ahead  
(That's the feeling)  
So bring me the light and lead me tonight  
Cause I can't play the hand I'm given  
And I don't hesitate to say who I hate  
To the reflection in my mirror  
I think it's time to give more  
If you want to start a new  
And it's better to fall sometimes  
Than to never ever stumble  
And I've given more than I can  
But it's not enough to change  
My life's in vain I heard him say  
I hate the way I live today  
So don't look back and don't look straight ahead  
(That's the feeling)  
So bring me the light and lead me tonight  
Cause I can't play the hand I'm given  
And I don't hesitate to say who I hate  
To the reflection in my mirror  
No, I don't hesitate to say who I hate  
To the reflection in my mirror
