

Oh My Heroes

Bad Cash Quartet

Oh my love I don't think you fell
Like I feel about a thing any more
Oh my heroes I don't think you fell
Like I feel about a thing any more
Oh my love I don't think you fell
Like I feel about a thing any more
Oh my heroes I don't think you fell
Like I feel about a thing any more
And it's hard
So hard
To see it all
And they still walk on us
Like they walk the streets
Still walk on us
Like they walk the streets
But the times
They are
Changing
Oh my love I don't think you fell
Like I feel about a thing any more
Oh my heroes I don't think you fell
Like I feel about a thing any more
Oh my people don't leave me behind
Oh my heroes I don't think you fell
Like I feel about a thing any more
And it's hard
So hard
To see it all
And they still walk on us
Like they walk the streets
Still walk on us
Like they walk the streets
But the times
They are
Changing
