

Early in the Morning

Bad Company

Ohh, early in the morning
And it's time I went down
So I go down
'Cause I know I can say anyway

Oh, I love you 'cause I want to
Oh, I love you 'cause I want to
Oh, I love you 'cause I want to
Oh, I love you 'cause I want to

Summer sun is shinin'
In my eyes as I go down
To feel you around me makes my
Life worthwhile night and day

Oh, I love you 'cause I want to
Oh, I love you 'cause I want to
Early in the mornin'
Early in the mornin' yeah

Lazy days drift away
In time as I go down
To see you smile is to
Know what love is all the while

Oh, I love you 'cause I want to
Oh, I love you 'cause I want to
Oh, I love you 'cause I want to
Oh, I love you 'cause I want to
Down early in the mornin'
