

# My Only One

Bad Company

I, I miss you, I just can't resist you  
I need you like the sun needs the day, oh please, won't you come back again

Line by line, so many pages I write  
I can't find the words to tell you how I feel tonight  
Without you my heart would fade away, I need you like the sun needs the day

'Cos you are my only one, with all that we've been through  
Each step that I take, it leads me back to you  
I am the lucky one, right here in this place  
The light in your face, is brighter than the sun  
Oh baby you are my only one

Come now, come closer my sweet child  
Lay your, your weary head to rest a while  
Your love is like the wind that fills my sail  
Your touch gives me a faith that cannot fail

my only one, my only one
