

Ready When You Are

Bad English

Had a dream, you were with me last night
I was your prisoner in a castle
Hands tied yea
Was it pain? Was it pleasure?
You couldn't decide, no

A mistress who can call my name
I wanted more, yea

'Cause baby I'm ready
Ready when you are
Ready in a heartbeat
A slave for love tonight
I'm ready when you are
That's right, yow

Did you dream?
You were with me
Last night, yea
Was it Paris in a hotel?
Red light
Ooh

Hear me knockin' at your door
I've come back for more
Need some more

'Cause baby I'm ready
Ready when you are
Ready in a heartbeat
A slave for love tonight
I'm ready, babe
That's right auh

I'm ready for you
You're ready for me
I'm ready, girl
Ready as anybody can be

Try another fantasy
You know you're mine
Anytime yea

'Cause
'Cause I'm ready
Ready when you are
Ready in a heartbeat
A slave for love
Ready when you are
Ready in a heartbeat
A slave for love, tonight
I'm ready when you are
Oh babe

Make a wish
Close your eyes
Wear another sleek disguise

Dream baby
Just dream
Sweat baby
Never know what you're gonna get
You never know what you're gonna get
So dream, baby
Sweat
Sweat baby
Dreamin'
Never know what you're gonna get
Dream baby
