

# Tough Times Don't Last

Bad English

From a desperate place  
How do I reach you  
You know I scare myself  
These crazy nights without you

And I feel no pain  
When I see you cry  
We can turn it around now  
You're my reason to try  
We've all seen some trouble  
But we've always come through  
You know things could get better

Hey babe believe me  
Tough times don't last  
Lovers do  
Baby don't give up  
On me and you  
Cause trouble's just a storm

That's gonna pass  
Tough times don't last  
We can work so hard  
Til we feel the strain

We can get so close  
It's the distance  
We can't explain  
Still I reach for you  
In the pouring rain  
Like a change in the weather  
Here comes the sun  
Things could only get better  
Hey babe believe me  
Tough times don't last

Lovers do  
Baby don't give up  
On me and you  
Cause trouble's like a storm

That's gonna pass  
Tough times don't last  
You say now that your heart is breakin'  
From the wild times that you've lived  
Better measure the risks that you're taking  
Hey babe it can only get better  
Tough times don't last

Lovers do  
Baby don't give up  
On me and you  
Cause trouble's like a storm

That's gonna pass  
Tough times  
Tough times don't last

Lovers do  
Me and you  
Believe me baby  
Oh yeah  
(Whoa whoa whoa)  
Tough times don't last

Baby now  
(Whoa whoa whoa)  
Oh yeah  
Na na na na na na na na na  
(Whoa whoa whoa)

Oh yeah  
It's me  
It's you  
(Whoa whoa whoa)  
Oh yeah  
Tough times don't last  
(Whoa whoa whoa)  
Oh yeah  
(Whoa whoa whoa)
