

# When I See You Smile

Bad English

Sometimes I wonder  
How I'd ever make it through  
Through this world without having  
you  
I just wouldn't have a clue

'Cause sometimes it seems  
Like this world's closing in on me  
And there's no way of breaking free  
And then I see you reach for me

Sometimes I wanna give up  
I wanna give in  
I wanna quit the fight  
And then I see you, baby  
And everything's alright  
Everything's alright

When I see you smile  
I can face the world, oh oh  
You know I can do anything  
When I see you smile  
I see a ray of light, oh oh  
I see it shining right through the rain

When I see you smile  
Baby, when I see you smile at me, oh  
yeah

Baby, there's nothing in this world  
That could ever do  
What a touch of your hand can do  
It's like nothing that I ever knew

And when the rain is falling, I don't  
feel it  
'Cause you're here with me now  
And one look at you, baby  
Is all I'll ever need, is all I'll ever need

When I see you smile  
I can face the world, oh oh  
You know I can do anything  
When I see you smile  
I see a ray of light, oh oh  
I see it shining right through the rain

When I see you smile, baby  
Baby, when I see you smile at me

Sometimes I wanna give up  
I wanna give in  
I wanna quit the fight  
Then one look at you, baby  
And everything's alright  
Everything's alright, so right

When I see you smile  
I can face the world, oh oh  
You know I can do anything, yeah  
When I see you smile  
I see a ray of light, oh oh  
I see it shining right through the rain,  
yeah

When I see you smile  
Yeah, I can face the world, oh oh  
You know I can do anything  
When I see you smile, oh yeah  
Baby, when I see you smile  
Smile at me
