

## Inner London Violence

Bad Manners

Rude Boy went in handsome hats  
Policeman knocking with a rat-a-tat-a-tat  
Them bored around the streets at night  
They're not looking but they find a fight  
I say inner London violence  
Inner London violence  
Inner London violence  
Inner London violence  
Policemen coming there's no relief  
Even your best friend is a thief  
Soon locked up in your council flat  
Machine gun go a rat-a-tat-a-tat  
I say inner London violence  
Inner London violence  
Inner London violence  
Inner London violence  
Hey hey hey
