

Fast Lane

Bad Meets Evil

[Royce Da 5'9":]

First verse, uh

I'm armed 'til I'm on a island

My life's ridin' on the Autobahn on autopilot

Before I touch dirt, I'll kill you all with kindness

I kill ya, my natural persona's much worse

You've been warned if you've been born or if you conform

Slap up a cop and then snatch him out of his uniform

Leave him with' his socks, hard bottoms and bloomers on

And hang him by his balls from the horn of a unicorn

Y'all niggas' intellect mad slow, y'all fags know

Claimin' you bangin', you flamin'

Bet you could light your own cigarette with ya asshole

Me and Shady deaded the past, so that basically resurrected my cashflow

I might rap tight as the snatch of a fat dyke

Though I ain't wrapped tight

My blood type's the '80s!

My '90s was like the Navy, you was like the Bradys

You still fly kites daily!

[Eminem:]

Catch me in my Mercedes

Bumpin' "Ice, Ice Baby, " screamin' Shady 'til I die

Like a half a pair of dice, life's crazy

So I live it to the fullest 'til I'm Swayze

And you only live it once, so I'm thinkin' 'bout this nice, nice lady

Wait, no, stop me now before I get on a roll (Danish)

Let me tell you what this pretty little dame's name is, 'cause she's kinda famous

And I hope that I don't sound too heinous when I say this

Nicki Minaj, but I wanna stick my penis in your anus!

You morons think that I'm a genius

Really I belong inside a dang insane asylum, came to drive them trailer parks

Crazy, I am back, and I am razor-sharp, baby

And that's back with' a capital B with' an exclamation mark, maybe

You should listen when I flip the linguistics

'Cause I'm gonna rip this mystical slick shit

You don't wanna become another victim or statistic of this shit

'Cause after I spit the bullets, I'm a treat these shell casings like a soccer ball

I'm a kick the ballistics! So get this dick, I'm a live this

[Hook:]

Livin' life in the fast lane

Movin' at the speed of life and I can't slow down

Only got a gallon in the gas tank

But I'm almost at the finish line, so I can't stop now

I don't really know where I'm headed, just enjoyin' the ride

Just gon' roll 'til I drop and ride 'til I die

I'm livin' life in the fast lane (Pedal to the metal)

I'm livin' life in the fast lane (Pedal to the metal)

Royce

[Royce Da 5'9":]

My whole goal as a poet's to be relaxed in orbit

At war with' a bottle, this Captain Morgan attacks my organs
My slow flow is euphoric, it's like I rap endorphins
I made a pact with the Devil that says "I'll let you take me
You let me take this shovel, dig up the corpse of Jack Kevorkian"
Go 'back and forth in more beef that you can pack a fork in
I'm livin' the life of the infinite enemy down
My tenement, too many now, to send my serenity powers
Spin 'em around, enterin' in the vicinity

[Eminem:]

Now, was called M&M, but he threw away the candy and ate the rapper
Chewed him up (Pt!) and spitted him out
Girl, giddy-up, now get, get down
He's lookin' around this club and it looks like people are havin' a shit fit
now
Here, little t-t-trailer trash, take a look who's back in t-t-town
Did I s-st-stutter, motherfucker? Fuck the mall, he shuts
The whole motherfuckin' Walmart d-d-down every time he comes a-r-r-round
And he came to the club tonight with' 5'9" to hold this bitch down
Like a motherfuckin' chick underwater, he tryna d-dr-drown
Shawty, when you dance, you got me captivated
Just by the way that you keep lickin' them dick suckin' lips, I'm agitated,
aggravated
To the point you don't suck my dick, then you're gonna get decapitated
Other words, you don't fuckin' give me head, then I'm have to take it

[Royce Da 5'9":]

And then after takin' that, I'm a catch a case, it's gon' be fascinatin'
It's gon' say "The whole rap game passed away" on top of the affidavit
Graduated from master debater slash massive masturbator
To Michael Jackson' activator (Woo!)
Meanin' I'm on fire off the top, might wanna back up the data
Runnin' over hip-hop in a verbal tractor-trailer
Homie, they sick, you can normally ask a hater
Don't it make sense, these shell casings is just like a bag of paper
Drop in the lap of a tax evader (Homie, they spent)

[Eminem:]

Now make that ass drop like a sack of potatoes
What, girl, I'm the crack-a-lator
Percolator to this party, be my penis ejaculator later
Tell your boyfriend that you just struck paydirt
You rollin' with a player, you won't be exaggeratin' when you say your livin'
,

[Hook:]

Livin' life in the fast lane
Movin' at the speed of life and I can't slow down
Only got a gallon in the gas tank
But I'm almost at the finish line, so I can't stop now

I don't really know where I'm headed, just enjoyin' the ride
Just gon' roll 'til I drop and ride 'til I die
I'm livin' life in the fast lane (Pedal to the metal)
