

# All Good Soldiers

Bad Religion

All good soldiers crack like boulders  
The sun climbs up to a razor,  
Violins, new boots, and numbers on a chain  
All good soldiers

All good soldiers fall in line  
When they march and shout  
All good soldiers are a spectacle  
Marching and singing  
Will go anywhere the president says  
Because the president believes in God  
Like all good soldiers should

All good soldiers wait like warheads  
When the fighting starts who will be  
Accountable, a cannibal, a cannonball  
All good soldiers, all good soldiers

All good soldiers fall in line  
When they march and shout  
All good soldiers are respectable  
Marching and singing  
Will go anywhere the president says  
Because the president believes in God  
Like all good soldiers should

It's 6 AM I can see my breath  
And the clay dirt is laughing at a weakling boy  
Today is the day  
That I'll write my friends  
It's something I've been trying to remember  
I had a dream of a wall  
That was twenty-one stories tall  
All...

All good soldiers fall in line  
When they march and shout  
All good soldiers are a spectacle  
Marching and singing  
Will go anywhere the president says  
Because the president believes in God  
Like all good soldiers should
