

Sinister Rouge

Bad Religion

1. Innocents burned
Alive at the stake
Tortured and dumped
In nameless graves
Centuries wane
Authority died
Scattering seeds of ancient lies

R: Sinister rouge
Coming back for more
To even the score
Sinister rouge
Coming back for more
To even the score

2. Child molesters
And Jesuits
Holding secret conference
Underneath the pontiff's nose
And only God will ever know

R: Sinister rouge...

3. Give us this day
Our daily bread
Your legacy
We'll not forget
Lick the wounds
Cleanse the land
The modern world
Rejects your hand

R: Sinister rouge...

Sinister rouge Sinister rouge
Sinister rouge Sinister rouge
Sinister rouge Sinister rouge
The nightmare comes in sinister rouge
