

# Sorrow

Bad Religion

Father can you.....  
How have ...  
I curse the day that I ...  
And all the sorrow in this world

Let me take you to .....  
Where all good men ....  
Just to settle a bet .....  
Between a prideful father ...

Will you....  
A reason ....  
What if every living soul ....  
Well, then I do imagine...

R: There will be sorrow  
Yeah there will be sorrow  
And there will be sorrow, no more

When all soldiers lay .....  
Or when all kings and all queens .....  
Or when the only true messiah ....  
It's easy to imagine...

R: There will be sorrow...

(solo)

R: There will be sorrow... (2x)
