

## Wrong Way Kids

Bad Religion

Stop them from shimmering away  
On blank sidewalk, glittering asphalt, somewhere summer days  
The wrong way kids were something more than friends  
Navigating a sprawl without end

Did you ever want to take bad advice?  
Did you ever want to go and take it twice?  
Do you remember when the world began  
To put up its thorny fence?

Right, you are my friend  
So what's wrong with them?  
There go the wrong way kids

Singing whoa oh, whoa oh, whoa oh, oh  
Singing whoa oh, whoa oh, whoa oh, oh  
Whoa oh, whoa oh, whoa oh, oh  
And they call them the wrong way kids

The kids today are gone away, petitioning the dust  
With no one to look up to because they're looking up to us  
Just misfit melancholy dregs, gone lost in the mall  
Wanderers to nowhere at all

Did you ever want to take bad advice?  
Did you ever want to go and take it twice?  
Do you remember when the world began  
To put up its thorny fence?

Right, you are my friend  
So what's wrong with them?  
There go the wrong way kids

Singing whoa oh, whoa oh, whoa oh, oh  
Singing whoa oh, whoa oh, whoa oh, oh  
Whoa oh, whoa oh, whoa oh, oh  
And they call them the wrong way kids
