

## Dear Angie

Badfinger

Dear Angie, just these lines to confirm something you may know  
Dear Angie, please excuse the writing, it's my nerves, you know

When you caught your train today  
You took my heart and soul away  
I can't wait 'til Friday night  
To see you, touch you, hold you tight

Dear Angie, how's your folks and relatives?  
I hope they're well  
Dear Angie, I'm spending my vacation at that same hotel

I've known you now for one whole year  
There's something I've not told you, dear  
Turned a blind eye for too long  
This letter proves that I've been wrong

Ba ba da, oooooooh  
Ba ba da, oooooooh

I've known you now for one whole year  
There's something I've not told you, dear  
Turned a blind eye for too long  
This letter proves that I've been wrong

Dear Angie, I've beat about the bush, it's time I spoke my mind  
Dear Angie, It's been a long time coming, guess I've been unkind

Dear Angie, the writing's on the wall  
Dear Angie, I love you, you're my all  
Guess that's all.
