

## Dear Angie

Badfinger

Dear Angie, just these lines to confirm something you may know  
Dear Angie, please excuse the writing, it`s my nerves, you know

When you caught your train today  
You took my heart and soul away  
I can`t wait `til Friday night  
To see you, touch you, hold you tight

Dear Angie, how`s your folks and relatives?  
I hope they`re well  
Dear Angie, I`m spending my vacation at that same hotel

I`ve known you now for one whole year  
There`s something I`ve not told you, dear  
Turned a blind eye for too long  
This letter proves that I`ve been wrong

Ba ba da, ooooooh  
Ba ba da, ooooooh

I`ve known you now for one whole year  
There`s something I`ve not told you, dear  
Turned a blind eye for too long  
This letter proves that I`ve been wrong

Dear Angie, I`ve beat about the bush, it`s time I spoke my mind  
Dear Angie, It`s been a long time coming, guess I`ve been unkind

Dear Angie, the writing`s on the wall  
Dear Angie, I love you, you`re my all  
Guess that`s all.
