

No Matter What

Badfinger

No matter what you are, I will always be with you
Doesn't matter what you do girl, ooh girl with you
No matter what you do, I will always be around
Won't you tell me what you found girl, ooh girl won't you

Knock down the old gray wall, I've been a part of it all
nothing to say, nothing to see, nothing to do
if you would give me all, as I would give it to you
nothing would be, nothing would be, nothing would be

No matter where you go, there will always be a place
can't you see it in my face girl, ooh girl won't you

Knock down the old gray wall, I've been a part of it all
nothing to say, nothing to see, nothing to do
if you would give me all, as I would give it to you
nothing would be, nothing would be, nothing would be

ooh girl, you girl won't you
ooh girl, you girl won't you
