## **Sweet Tuesday Morning**

Badfinger

Sweet Tuesday morning came on your smile All of my fears, they have left me Sweet Tuesday morning came on your smile Love is the answer you gave me

I've been to places all around, astound me Seen the breaking of the souvenir In a brightness I can feel, surround me It's the first time I felt it for years

Sweet Tuesday morning came on your smile Love is the answer you gave me

I've been to places all around, astound me Seen the breaking of the souvenir In a brightness I can feel, surround me It's the first time I felt it for years
