

Without You

Badfinger

Well, I can't forget this evening
Or your face as you were leaving
But I guess that's just the way the story goes
You always smile, but in your heart your sorrow shows
Yes, it shows

Well, I can't forget tomorrow
When I think of all my sorrow
I had you there, but then I let you go
And now it's only fair that I should let you know
What you should know

I can't live
If livin' is without you
I can't give
I can't give any more
I can't live
If livin' is without you
I can't give
I can't give any more
