

Hold On To Your Dreams

Badlands

I found myself sitting here by this old riverside
The wind is calm and the sun shines bright
Although I'm just alone, there's no loneliness at all
Enjoying things that seem to be small

I have a vision in my mind about how things could have
been
Wondering what the future will bring
Days like these give me strength to succeed in my goals
Pride it fills my heart and soul

Chorus (2x):
Hold on to your dreams

I found myself sitting here by this old riverside
The wind is calm and the sun shines bright
Although I'm just alone, there's no loneliness at all
Enjoying things that seem to be small

Chorus (2x)

Now the wind takes a story unheard
But there ain't no reason to feel hurt
Because the strength lies in my heart
For as long as I can see the possibility to be free
