A Minor Incident

Badly Drawn Boy

There's nothing i could say to make you try and feel ok And nothing you could do to stop me feeling the way i do And if the chance should happen that i never see you again Just remember that i'll always love you

I'd be a better person on the other side i'm sure You'd find a way to help yourself Then find another door To shrug off minonr incidents Make us both feel proud I'd just wish i be there to see u through

You always were the one to make us stand out in the crowd Though every once apon a while your head was in a cloud There's nothing u could never do to ever let me down And remember that ill always love you
