

## Bedside Story

### Badly Drawn Boy

Goodnight my answer, your dreams are still sweet  
Goodnight, be careful with yourself  
Don't worry about the money, forget about the wealth

You'll be my angel, divert me from hell  
Help me, protect me from myself  
Don't worry, don't worry

Goodnight my answer, goodnight my answer  
Goodnight my answer  
Goodnight my answer  
Goodnight my answer
