Always

Bag Raiders

Open your Eyes take a look If you follow I will lead the way It's never 'same looking back We don't wanna living yesterday You and I allright Because togehter where to?lock in? my key Com on put your hand by hand If?thoughts from? we can both to bee free

´cause you... You make me feel...

Always when I see you darling You up in the clouds of?both? And maybe tonight you've got me so?then high? That I think it's could be love

And tell me if you think sometimes That the feeling gets too much 'cause baby tonight you got me so?mis stoked? That I think it's could be love

Something I know now I see It's only you who me?hold? me up from the days ?I don't show? we go together You're the Fire sets my Heart ablace

Want belong now I'm baby Til the only term I have is you And we stay every takes together Is a step me are to feeling true

'cause you...
You make me feel...

Always when I see you darling You up in the clouds of both And maybe tonight you've got me so?then high? That I think it's could be love

And tell me if you think sometimes That the feeling gets too much 'cause baby tonight you got me so? mis stoked? That I think it's could be love
