

## Shooting Stars

### Bag Raiders

It's late and I'm awake  
Staring at the wall  
Open up my window  
Head falls out the door

No one else around  
And a shimmer takes my eye  
I lift my head  
Blinded by the sky

Feel my weight in front  
Following the sound  
Moves away so fast  
Falling to the ground

I know what is more to come  
Jump back to my feet  
Now I only see ahead of me  
Chasing down the street

Give my love to a shooting star  
But she moves so fast  
That I can't keep up  
I'm chasing

I'm in love with a shooting star  
But she moves so fast  
When she falls then  
I'll be waiting
