

## Sunlight

## Bag Raiders

Hold tight  
At midnight  
Am I dreaming or are you beaming out?  
Are you beaming out?

Like light  
Snow White  
Red fluorescence, iridescence now  
Are you beaming out?

Don't you know that  
When I see your face  
It's like sunlight dripping

When I see your face  
It's like sunlight dripping

You're just like  
You're just like  
Sunlight  
Sunlight

You're just like  
You're just like  
Sunlight  
Sunlight
