

# Giddyup

Baha Men

Giddyup, hit um up, what part of party, don't you understand

Let your body move just shake it up  
Get yourself in motion I'll tell you what  
Raise your hands up high drop your hands down low  
Just follow me now, 'cause it's time to go

Come on everybody, get it together  
Don't wait forever, it's now or never

Giddyup, saddle up, what part of party, don't you understand  
Work your body  
Giddyup, saddle up, come on work your body like you know you can  
Come on work your body

Come on girl sweat, move with me  
Come on girl, sweat  
What part of party, don't you understand

Let me tell you 'bout this place, I go to party  
It's a secret, I can't keep so let me share  
All the ladies always fine the fellas groovy  
DJ's pumping, we gonna dance the night away, yeah

So come on with me, this house is bumpin'  
The music's pumpin', my heart is jumping

Giddyup, saddle up, what part of party, don't you understand  
Work your body  
Giddy up, saddle up, come on work your body like you know you can  
Come on work your body

Giddyup  
Giddyup  
Giddyup  
Giddyup

Come on girl, sweat, move with me  
Come on girl, sweat, groove with me  
Come on girl, sweat, move with me  
Come on girl, sweat, groove with me

Giddyup saddle up, or you can slip 'n' slide  
Baby hold on tight and enjoy the ride  
Girl, don't be scared why you acting shy  
This is just a dream so help me fantasies

See you're the girl of my dreams that's without a doubt  
I'm the one that will make you scream and shout  
Let me take you to place have a party tonight  
I'll do all the things, things you like

So get your saddle up and get yo ride on  
'Cause ain't no chicken player here tonight  
A G is the one that get's down and has no fright  
And lyrically I be bustin' it right

And when you get down you gotta get yo ride on  
This is storm on the microphone, and I be bussin' it  
And were from the B A H A M A S  
Now we comin' straight from the island we got to be the best, yes

So come on with me, this house is bumpin'  
The music's pumpin', my heart is jumping

Giddyup, what part of party, don't you understand  
Saddled up, what part of party, don't you understand  
Giddyup, what part of party, don't you understand  
Saddled up, what part of party, don't you understand

So come on with me, this house is bumpin'  
The music's pumpin', my heart is jumping

Giddyup, saddle up, what part of party, don't you understand  
Work your body  
Giddyup, saddle up, come on work your body like you know you can  
Come on work your body

Giddyup, saddle up, what part of party, don't you understand  
Work your body  
Giddyup, saddle up, come on work your body like you know you can  
Come on work your body

Giddyup, saddle up, what part of party, don't you understand
