Giddyup, hit um up, what part of party, don't you understand Let your body move just shake it up Get yourself in motion I'll tell you what Raise your hands up high drop your hands down low Just follow me now, 'cause it's time to go Come on everybody, get it together Don't wait forever, it's now or never Giddyup, saddle up, what part of party, don't you understand Work your body Giddyup, saddle up, come on work your body like you know you can Come on work your body Come on girl sweat, move with me Come on girl, sweat What part of party, don't you understand Let me tell you 'bout this place, I go to party It's a secret, I can't keep so let me share All the ladies always fine the fellas groovy DJ's pumping, we gonna dance the night away, yeah So come on with me, this house is bumpin' The music's pumpin', my heart is jumping Giddyup, saddle up, what part of party, don't you understand Work your body Giddy up, saddle up, come on work your body like you know you can Come on work your body Giddyup Giddyup Giddyup Giddyup Come on girl, sweat, move with me Come on girl, sweat, groove with me Come on girl, sweat, move with me Come on girl, sweat, groove with me Giddyup saddle up, or you can slip 'n' slide Baby hold on tight and enjoy the ride Girl, don't be scared why you acting shy This is just a dream so help me fantasies See you're the girl of my dreams that's without a doubt I'm the one that will make you scream and shout Let me take you to place have a party tonight I'll do all the things, things you like So get your saddle up and get yo ride on 'Cause ain't no chicken player here tonight A G is the one that get's down and has no fright

And lyrically I be bustin' it right

And when you get down you gotta get yo ride on
This is storm on the microphone, and I be bussin' it
And were from the B A H A M A S
Now we comin' straight from the island we got to be the best, yes

So come on with me, this house is bumpin' The music's pumpin', my heart is jumping

Giddyup, what part of party, don't you understand Saddled up, what part of party, don't you understand Giddyup, what part of party, don't you understand Saddled up, what part of party, don't you understand

So come on with me, this house is bumpin' The music's pumpin', my heart is jumping

Giddyup, saddle up, what part of party, don't you understand Work your body
Giddyup, saddle up, come on work your body like you know you can

Giddyup, saddle up, come on work your body like you know you can Come on work your body

Giddyup, saddle up, what part of party, don't you understand Work your body

Giddyup, saddle up, come on work your body like you know you can  $\operatorname{\mathsf{Come}}$  on work your body

Giddyup, saddle up, what part of party, don't you understand
