

Summer of Love

Baha Men

Baby, be mine in the summer of love.
Spendin' time in the summer of love.

I've been waiting all year for the summer
And a chance that I'll see you again,
Hanging out at one beach or another
With friends. Yeah.
All the trees start to sway to the music
And the breeze starts caressing your hair.
Summer love makes my heart
Sing and jump in the air.

The days are getting longer
And the moon stays up all night.
So, be mine in the summer of love.
Spendin' time in the summer of love.
Everybody sing la la la la la la la la la la la.
'Cuz everybody sing la la la la la la la la la la la la.
Yeah. Mm-hm.

I don't know who you are, but I'll find you.
Your face must shine like rays from the sun.
Then I'll know you're the one
And the summer's begun.

The days are getting longer
And the moon stays out all night.
So, be mine in the summer of love.
Spendin' time together in the summer of love.
And everybody is going to sing la la la la la la la la la la la la.
Come on everybody la la la la la la la la la la la la.

Summer love is all around the world.
Summer love is all around the world.
Summer love is all around the world.
So, listen to me baby.
Listen to me baby.
Listen to me.

Come on, my baby; let me work it (work it).
I want to whip it and we're down to the over.
I may want you to work it (work it).
I may want you to turn it around now.
I may want you to work it (work it)
You and me that's how its going to be now.
Come on, my baby; let me work it (work it).
And you can be mine so bring it down to me
With that shew-shew swing

The nights are getting longer
And the stars stay out all night.
Everybody going to be all right
In the summer of love.
The summer of love.
Spendin' time together in the summer of love.
Everybody is going to sing la la la la la la la la la la la la.
Na na na na na na na. La la la la la la la la la la la la.

Oh whoa la la la la la la la la la la la la.
Keep singing la la la la la la la la la la la la.
