Precious from conception was this little life within delicate and

Special open arms are welcoming initiative from mommy to secure
your
Innocents life centers around you like the rings on saturn you
make it
Divine cause you're sweet as saccharin and I'mma shower you with
love
Until infinity as long as I breathe you get the biggest part of
me...

I service and protect guide and direct share quality time with
you and
Never neglect any part of you because I have no regrets will always be
Around even if your daddy jets providing you with confidence to
step
Out in the world aware that you could make it cause you have someone

Who cares on stand by with patience and a smile God bare my witness
Cross my heart and hope to die or rest (pause) just in case you

Haven't guessed the essence of my presence to insure you have the best
And I just really hope you understand that for you I'll be everything

I can I'mma shower you with love for infinity as long as I breathe you
Get the biggest part of me

Wonderful addition to the population your every waking moment is my
Inspiration truly I am blessed from on day to the next life line
Connects to a positive effect you've molded all my idol time and gave
It purpose I dedicate the world to you until my final rest cradle to

The grave I'mma always be in debt cause you're my saving grace
and
Valuable asset so I'mma shower you with love for infinity as long
as I
Breathe you get the biggest part of me. I'mma shower you with love for
Infinity as long as I breathe you get the biggest part of me. For real

As long as I breathe way down deep inside You're the biggest part of
Me
