

# Spontaneity

Bahamadia

Straight outta the metro rhythm central I'm innovative at thee  
intro  
cause I go slow moe but never slow poke but never joke dope but  
never  
coke spits a riddle like flim loose with my lyrics like double  
jointed  
limbs I twist and I bend common episodes past freak mode the mo  
nstrous

bass beneath my pace be like morse code slash beep slash beep s  
canners  
zero in to the system in your jeep I'm out there with cool Keit  
h and  
Ced-Gee and De La inventors of my third seeing eye with futuris  
tic  
vision I'm not among loony nut cakes on a mission I gets in whe  
re I

fit in cause life's too short so you could all label me weirdo  
but yo  
I know it's talent ...  
Chorus Mad explosive spontaneity  
At present I speak the new beginning when every other trend fel  
l short

so who'll be the shareholder of my kinda thoughts besides the s  
tudious

'cause the gludious max-a-  
must lack ability to scoop all capabilities of

spontaneity within me depicted kicked it true vibes pops jazz b  
ut

collaborated with the cool known flows but unfamiliar grooves s  
oother

individual moods like soul food for thought ...

Rip here be dizz like everybody's on it cause eternal verbal ex  
pansion

keeps enhancing brain child's ability to like surpass a swarm o  
f booty

ass no grass roots having ass mc's with luke warm degrees tryin  
g to

get hot like sun rays but save your jazz for Sun Ra you don't want to

spar my skills fill up thee outer limits like mars and you's a little

star I jacked your twinkle when I excelled well like Tinkerbell up to

higher levels and heights cerebral flow takes flight on airborne time

I'm a prime candidate of specimen in your walkman as you're listening

I make things happen cause I'm the captain keepin' this great .  
....

Chorus Mad explosive spontaneity (repeat)
