

All About Me

Ball in the House

As far as I can see
Now it's all about me
Yeah--
I've had enough of talking about it
I've had enough of waiting for you
All my life is passing before me
You don't care, not at all

It's all right
If that's the way it has to be
You say you wanted to be free
I think it's time I see I can't do nothing for you
So now it's all about me
It's all about me
So now it's all about me
I'm not trying to just run away
But I'm so tired of waiting for you
I just need you to give me the chance
But no-- you don't care
