

Rich People Are Stupid

Ball Park Music

My friend is an expert
He's always on time
Researching volcanoes
And blowing my mind

On my way to work on Sunday morning
I feel mighty fine
Rich people are stupid
Rich people are stupid
And I feel mighty fine

Bourgeois morning
Breakfast at 10
You don't like your coffee
Guess I'll make it again

On my way to work on Sunday morning
I feel mighty fine
Rich people are stupid
Rich people are stupid
And I feel mighty fine

On my way to work on Sunday morning
I feel mighty fine
Rich people are stupid
Rich people are stupid
And I feel mighty fine
