

## This Is A Flirt

Balthazar

Dance, dance,  
wanna make you my romance  
I've got you here in the fog  
how 'bout some Hollywood talk  
yeah baby, bet we do more  
than all the lovin' next door  
and even more than before  
they had them kids on their floor

Do you wanna love,  
cause I'm in love with you

Dance, dance,  
how 'bout some love offence  
what an awful timing to take  
another cigarette break  
baby, you know it takes two  
to smoke taboo out of you  
and steamy windows ain't wrong  
to leave your phone number on
