

Come on Strike

Baltimore

When you're feeling kind of down, inside you're blue
Oh, tell me what you want to do
When you need a helping hand to see it through
Oh, I'm the only way

Countdown, the time is right
We're gonna go dancing
Uptown, move all night
Get ready to play

When you're wondering if love has been untrue
Oh, tell me what you want to do
When you're feeling like your chained, do something new
Oh, I'm the only way

Countdown, the time is right
We're gonna go dancing
Uptown, move all night
Get ready to play

Countdown, the time is right
Some days you're gonna miss me
Uptown, move all night
We're ready to play
Get ready today

Come on strike
And knock them down with a spinner
Moving light
It's changing now (come on)
Come on strike
You're moving now like a winner
Come on strike
You gotta make a go

When you're feeling kind of down, inside you're blue
Oh, tell me what you want to do
When you need a helping hand to see it through
Oh, I'm the only way

Countdown, the time is right
We're gonna go dancing
Uptown, move all night
Get ready to play

Come on strike
And knock them down with a spinner
Moving light
It's changing now (come on)
Come on strike
You're moving now like a winner
Come on strike
You gotta make a go

Lost within your worries
You forget to let it go
Baby, can't you see?

Never ending hurry
We become dynamos
Crazy, no love

Come on strike
And knock them down with a spinner
Moving light
It's changing now (come on)
Come on strike
You're moving now like a winner
Come on strike
You gotta make a go

Countdown, the time is right
We're gonna go dancing
Uptown, move all night
Get ready to play

Come on strike
And knock them down with a spinner
Moving light
It's changing now (come on)
Come on strike
You're moving now like a winner
Come on strike
We gotta make a go

Countdown, the time is right
We're gonna go dancing
Uptown, move all night
Get ready to play

Come on strike
And knock them down with a spinner
Moving light
It's changing now (come on)
Come on strike
You're moving now like a winner
Come on strike
You gotta make a go

Countdown, the time is right
We're gonna go dancing
Uptown, move all night
Get ready to play

Come on strike
And knock them down with a spinner
Moving light
It's changing now (come on)

Countdown, the time is right
We're gonna go dancing
Uptown, move all night
Get ready to play (come on)
