

# Eye to Eye

Baltimora

(We're eye to eye)  
(And heart to heart)  
(We're eye to eye)  
(Just you and I)

Flame of my fire  
Every time we meet the feeling's the same  
Coming on again  
Burning desire  
Don't you know it's hard to stop again  
When the love's so high

(Oh, fly-fly) Reaching for the sky, yeah-yeah  
(Go, go-go) Higher, you and I, yeah-yeah

(Eye to eye baby, heart to heart)  
Eye to eye, eye to eye  
(Like an angel, we'll never part)

(Oh, fly-fly) Reaching for the sky, yeah-yeah  
(So high, so high) Darling you and I, yeah-yeah

Two of a kind  
Every time we meet the magic is there  
Like a new affair  
Flying so high  
When we touch you got me floating on air  
Cause your love's so high

(Oh, fly-fly) Reaching for the sky, yeah-yeah  
(Go, go-go) Higher, you and I, yeah-yeah

(We're eye to eye)  
(And heart to heart)  
(We're eye to eye)  
(Just you and I)

(Eye to eye baby, heart to heart)  
(Like an angel, we'll never part)

(We're eye to eye)  
(And heart to heart)  
(We're eye to eye)  
(Just you and I)

(We're eye to eye)  
(And heart to heart)  
(We're eye to eye)  
(Just you and I)
