Baltimora

Hypnotized by sounds, sounds in their own glory  
Hypnotized by sounds, sounds in their own glory

I was born dancing with this beat in my heart  
Oh-oh-ay-oh, shuffling together  
Once I heard it we were on the way to the top  
Oh-oh-ay-oh, this sound is forever

Wrap me up, this sensual feeling now that I found  
Oh-oh-ay-oh, I can't let it go  
Day and night, this sound it tries to keep us together  
Oh-oh-ay-oh, we make love forever

School day games that I played  
In my heart are now coming alive  
Well like a child who can learn  
Give it a go, yes you know, you say Key, Key, Key, Key

Key Key Karimba, not a foolish game  
It's a love story, you know what I mean  
Key Key Karimba, hypnotized by sounds  
In their own glory, it's changing the scene

Now I know you finally have this beat in your heart  
Oh-oh-ay-oh, you can't let it go now  
It's in your blood, I see it when I look in your eyes  
Oh-oh-ay-oh, let's feel it together

School day games that we played  
In our hearts are now coming alive  
Just like a child who can learn  
Give it a go, yes you know, you say Key, Key, Key, Key

Key Key Karimba, not a foolish game  
It's a love story, you know what I mean  
Key Key Karimba, hypnotized by sounds  
In their own glory, it's changing the scene

Key Key Karimba, not a foolish game  
It's a love story, you know what I mean  
Key Key Karimba, hypnotized by sounds  
In their own glory, it's changing the scene

Key Key Karimba, not a foolish game  
It's a love story, you know what I mean  
Key Key Karimba, hypnotized by sounds  
In their own glory, it's changing the scene

Hypnotized by sounds, sounds in their own glory  
Hypnotized by sounds, sounds in their own glory

Key Key Karimba, not a foolish game  
It's a love story, you know what I mean
