

## Long Way

Balzac

Always gazing on  
Feel fear and anxiety  
Always gazing on  
Feel beauty and longing  
How many times, how many times,  
Is the mountain of idol hide away?  
How many times, how many times,  
Is the sea of idol wash away?  
Long way, long way!  
Before it shut from the light  
Long way, long way!  
Before the day goes over the night

How many times, how many times,  
Is the mountain of idol hide away?  
How many times, how many times,  
Is the sea of idol wash away?  
Long way, long way!  
Before it shut from the light  
Long way, long way!  
Before the day goes over the night
