The Bleeding Light

Go! When I fall down on my own It came out to meet to me (You) just like waitin' for me the night The children of the night, in my mind (It just the bleeding lig ht) Glowing bright Children night Glowing bright It's just the bleeding light When I fall down on my own It came out to meet to me (You) just like waitin' for me the night The children of the night, in my mind (It just the bleeding lig ht) Glowing bright Children night Glowing bright It's just the bleeding light

It's just the bleeding light Glowing bright into the night Glowing bright in the bleeding light Balzac
