

The Slaughter House

Balzac

Better way (Go!)
That you go (I know!)
Your shadow and it covers on my Halloween
You remember nights when you slip away
Run away (Go)
Down this road (I know!)
Your shadow and it covers on my Halloween
You remember nights when you slip away
Lord of the Light and the Darkness
Don't forget the 13 Stairway
Lord of the Light and the Darkness
Don't forget the room number 308
Whoa-ohhh
Don't forget the room number 308!
Whoa-ohhh
Don't forget the room number 308!
Whoa-ohhh
Don't forget the room number 308!
Whoa-ohhh
Don't forget the room number 308!
(Repet all verses one more time)
