Balzac

Go!

Kioku no hashi ni nokoru sono gensoo [In the end, memory remains that illusion]

(It's coming down)

Soshite soko ni aritsuzukeru [And there it continues on]

Genjitsu no gaiki nogareru kota ha naku [The "gaiki" in reality never goes away]

(It's coming down)

Soshite soko ni aritsuzukeru [And there it continues on]

Nagareru toki o koba mitsuzukete [The flow of time refuses to continue]

(Soo) Kyooki sae gitte [So even the madness passes by]

Nani o motome tsuzukerunda? [What do you continue searching?]

(In the night)

Kioku no naka ni utsushi da sareta (sono) gensoo [that illusion you see in the memory]

(It's coming down)

Soshite soko ni aritsuzukeru [And there it continues on]

Never waiting for tomorrow!

I will not wait for tomorrow

(I will not wait for tomorrow)

Far away

(I) never waiting (for) tomorrow
