```
Go!
Kioku no hashi ni nokoru sono gensoo [In the end, memory remain
s that illusion]
(It's coming down)
Soshite soko ni aritsuzukeru [And there it continues on]
Genjitsu no gaiki nogareru kota ha naku [The "gaiki" in reality
never goes away]
(It's coming down)
Soshite soko ni aritsuzukeru [And there it continues on]
Nagareru toki o koba mitsuzukete [The flow of time refuses to c
ontinue]
(Soo) Kyooki sae gitte [So even the madness passes by]
Nani o motome tsuzukerunda? [What do you continue searching?]
(In the night)
Kioku no naka ni utsushi da sareta (sono) gensoo [that illusion
you see in the memory]
(It's coming down)
Soshite soko ni aritsuzukeru [And there it continues on]
Never waiting for tomorrow!
I will not wait for tomorrow
(I will not wait for tomorrow)
Far away
```

(I) never waiting (for) tomorrow
