

Caribbean Blue

Bambee

Oooh, oohh, oohh...
Oooh, oohh, ooh-ooh...
Oooh, oohh, ooh-ooh...

Remember where we met, my baby?
We were kissing in the sunset, yeah, yeah
And I keep you in my heart, so tell me
Should we keep it that way, oh forever?

Drifting away on a fantasy
Dreaming about you and me, oh baby

Oooh, oohh, ooh-ooh
Just picture me and you, making love
In the Caribbean blue, singing
Oooh, oohh, ooh-ooh
Our dreams will take us there, I swear
We will dive into those waves someday

Just come a little closer, lover
Cause we have so much to give each other
Hold me tight, and boy, you will discover
There's a place for you and me, to be in

Drifting away on a fantasy
Dreaming about you and me, oh baby

Oooh, oohh, ooh-ooh
Just picture me and you, making love
In the Caribbean blue, singing
Oooh, oohh, ooh-ooh
Our dreams will take us there, I swear
We will dive into those waves someday

Oooh, oohh, ooh-ooh...

Oooh, oohh
Oooh, oohh, ooh-ooh...
Our dreams will take us there, I swear
We will dive into those waves someday
