

Cowgirl

Bambee

I'm a cowgirl! - Bang dum bang
I'm a cowgirl! - Bang dum bang

People say that I'm a bad girl
And I enjoy it all the time
I'm living in a sad world
But I know what's on my mind

I'm free as a bird
Even though you tell me that I can't fly
I ain't easy to hurt
I have a perfect life and I'm telling you why

I'm a cowgirl and I'm riding on my horse
Bang dum bang and I'm shooting all around
I'm a cowgirl, I get straight to the source
Bang dum bang and my gun is my force

I'm a cowgirl and I'm riding on my horse
Bang dum bang, staying right on the course
I'm a cowgirl and I'm happy with that
Bang dum bang, it's so good to be bad

I can give you inspiration
You have to free your soul
I have been across the nation
And I've finally found my goal

I'm free as a bird
Even though you tell me that I can't fly
I ain't easy to hurt
I have a perfect life and I'm telling you why

I'm a cowgirl and I'm riding on my horse
Bang dum bang and I'm shooting all around
I'm a cowgirl, I get straight to the source
Bang dum bang and my gun is my force

I'm a cowgirl and I'm riding on my horse
Bang dum bang, staying right on the course
I'm a cowgirl and I'm happy with that
Bang dum bang, it's so good to be bad

I'm a cowgirl and I'm riding on my horse
Bang dum bang and I'm shooting all around
I'm a cowgirl, I get straight to the source
Bang dum bang and my gun is my force

I'm a cowgirl and I'm riding on my horse
Bang dum bang, staying right on the course
I'm a cowgirl and I'm happy with that
Bang dum bang, it's so good to be bad
