

Am i real?  
Do the words i speak before you  
Make you feel  
That the love i have for you  
Will see no ending?

Well, if you look into my eyes  
Then you should know  
That you have nothing here to doubt  
Nothing to fear  
And you can lay your questions down  
'cause if you'll hold me  
We can fade into the night  
And you'll know

The world could die  
And everything may lie  
Still you shall cry  
'cause time may pass  
But longer than it'll last  
I'll be by your side

Take my hand  
And gently close your eyes  
So you could understand  
That there's no greater love tonight  
Than what i've for you  
Well, if you feel the same way for me  
Then let go

We can journey to a garden no one knows  
Life is short, my darling  
Tell me that you love me

So we can fade into the night  
And you'll know  
The world could die  
And everything may lie  
But you won't cry  
'cause time may pass  
And everything won't last  
But i'll be by your side  
Forever by your side  
So you won't cry
