

Saw you today
Your drop dead beautiful face
Strolling my way
And you were dragging one lace
I'll just stick to you like glue
I'm lovesick and dream about you
Like a tick I will chew
And you will get me through
I belong
Like a tune to a song
Like the moon to the sun
To your marvelous bum ba bum ba bum
What can I say
When girls like you pass my way
I get a kick out of following you
And pigs might fly so all I do is that
I'll just stick to you like glue
I'm lovesick and dream
I belong
Like a tune to a song
Like the moon to the sun
To your marvelous bum ba bum ba bum
Bum ba bum ba bum ba bum
I behold your shape and bloom
Endless time in endless rooms
There is no-one else but you
And you're shining on and on
I belong
Like a tune to a song
Like the moon to the sun
To your marvelous bum ba bum ba bum
What can I say
When girls like you pass my way
I'll just stick to you like glue
I'm lovesick and dream about you
