

# Feel for You

Bananarama

Think it over  
A little longer  
You know I'm right  
It's me you're looking for  
It won't be long now  
Coz I'm not like the girls before

Where you going?  
Don't you know yet?  
Shall I shout it out?  
Or whisper to you mister?  
What's your answer?  
You can't deny it's me you're looking for  
Coz I'm waiting, waiting

[Chorus]  
I feel for you  
Feel for you  
And I can't let go  
And I can't say no to you  
I feel for you

Feel for you  
And I'm waiting, waiting  
For you

Hear what I'm saying. Are you ready?  
Coz you feel so close  
And I can almost taste it  
Music's playing  
It's time to move, make up your mind. Are you dancing?  
Don't keep me guessing  
Coz I love this tune  
And I wanna dance with you  
And when it's over  
You know just what I'm gonna do with you  
Coz I'm waiting, waiting

[Chorus]

Are we dancing? [x2]

[Chorus]
