

# Look on the Floor

Bananarama

It's close to midnight  
And I'm leavin' now  
I'm getting in my car  
I'm headin' out

And I can't slow down  
Cos I don't know how

You got my number  
So we'll be fine  
So go and use it  
Just don't waste my time

Cos you're on my mind  
And you know I'm right

[Bridge]  
You take me over  
Stay with me and  
We'll fade away

[Chorus]  
Look on the floor  
And all are spinnin' round  
Someone told me this  
was just a dance  
And take a chance  
And I'll give you more  
Do you really think  
We have a chance

Devils in your eyes  
And he's lookin' at me  
I know what you want  
And you know what I need

Come and show me how  
How do you get down

[Bridge]

[Chorus]  
Repeat Chorus

Chance X 11  
Do you really think we have a chance

[Chorus X2]
